President's Report

Hello Everyone,

I hope all of you had a GREAT Christmas, and have a safe new year! As we get started on the New Year, the club will have a lot of things to do, and I hope to present a few ideas for our next flying season. Yep, it's that time of year again; time to pay your club dues. We will have membership cards this year instead of just a sticker. I think it will be easier to use these and you won't have to worry about losing, or leaving your AMA card at the field. Please bring your 2006 AMA card with you or send a copy to Don when paying your dues.

Our next meeting is at Lakeside Center Jan. 18th. 6:30pm. We have a few things to talk about at this next meeting, so come prepared to discuss and give us your thoughts.

Stay warm!

Ron

Editor's Notes

Hi All,

Happy New Year everybody and welcome to another season of RC Eagles flying. I hope everybody had a Merry Christmas. Several people have asked about indoor electric flying and we have been looking for a suitable location in our area to do some flying. So far we have been unsuccessful but when we find a place we will notify everyone who has expressed an interest in flying some indoor stuff this winter.

The Eagles website has been updated to the latest information and I hope everyone is checking it out, especially the links to local weather and radar. It's now easy to check the weather at the field before you leave home. I will be updating the pictures on the spinning cube as soon as I can get a few minutes to work on it.

The 2005 Christmas party was a blast with great food and warm holiday camaraderie. Thanks to the RC Eagles ladies auxiliary for their work in setting up the party.

Remember the Toledo show is coming up n April 7,8,& 9th, make your reservations now.

Field Report

Hi All!

Late November it looked like we were in for a long cold winter. Around Christmas and later the weather has been very mild and several of us have been taking advantage of the great conditions, In fact on New Year's Day we had a great time and a good turn out.

We were talking over things to do for 2006 Flying Season and we feel the Field is in great condition and we will try to keep it that way. The only major item that will take place early this spring is the building of an extension on the North side of the pavilion to house the new cooking grill and gain some more storage space.

See you at the field!

Jim, Keith and Bob

Other News

First it is my sad duty to report that Jack Lins, Alliance Balsa Bees treasurer, has passed away. Jack will be greatly missed at the annual fly-in and other Balsa Bee's functions. Our condolences to his friends and family.

Ron sent me an email and said he might not make it to the next club meeting. Seems Ron has a problem with a wisdom tooth and it's gonna be extracted next Tuesday. If any of you have had a wisdom tooth out, you may have some sympathy for Ron, or maybe not.... PAIN!!!!

See you at the meeting!!

Kraig

January Meeting

Nov. 18th, 2006
Lakeside Center
6:30PM
