2007 Eagles Fly-In

This will be an abbreviated newsletter because of the Fly-In and time constraints. Our contest director, Gary Villard, wants to thank each and every RC Eagle who helped with the 2007 Fly-In. We had a lot of help and a lot of pilots. Unfortunately we didn't have a lot of spectators so we didn't make a ton of money but we did alright compared to what some other clubs did with their shows so we can't complain too much.

The monthly club meeting is Wednesday July 18th at the field. We had some left over sausage and the club will provide hot dogs, burgers and buns. Please bring a covered dish to share with others.

A big thanks to Dick Fano and Aerotech for donating the door prizes we passed out to the flyers.

Sorry for the short newsletter, but with the fly-in and vacation I just got sidetracked.

Keep em flying!!
