March, 2007

## President's Report

*Hello Everyone,*

Wow March already... Don't forget this is the last meeting to pay your dues for this year.

If you read the newsletter last month there was an error in the dates for the Toledo show. The dates are April 13-15th.

I have put in a request to Tim Vandersal from the landfill, and asked if he would come the either this months or next months meeting and fill us in on what's going on with the landfill, and to explain what would happen should they have to close. As of right now I haven't heard from him, but I will keep you posted.

The mall show is set for the last weekend in March, and we should have the 50 / 50 tickets available for the March meeting and the show. Please do your part to help us sell them.

On a sadder note, Gary and Linda Villard's brother in law passed away this past Sunday. Our prayers are with them.

Get those planes ready, spring isn't to far off.

*Ron*

## Editor's Notes

*Hi All,*

I have heard that a number of you are having problems accessing the members only section of the web site. I still haven't figured out what the problem is, but it looks like the best solution is to change the way the password page works. I am trying to figure out how to do this and will fix it as soon as possible. In the meantime, if you need the info on the members only page (roster etc.), call one of the club officers. Hopefully I will have it fixed in time for the combination change to be posted.

Last month I put in the wrong dates for the Toledo show. The actual dates are April 13-15th. If you haven't been to a Toledo Conference, you are missing one of the great events in the R/C world.

I will again be taking orders for jackets at the next meeting. Prices and sizes are shown elsewhere on this page. After this meeting I will be turning the order over to Brian Eves for him to make the jackets.

We need people to help run the booth at the mall show and to work at the Fly-In this summer. If you haven't already done so, please sign up for some of the committees to take care of these events. We especially need someone to volunteer to head up the concession stand at the fly-in. This is where most of our profits come from and it is important that it be run well. If we have to turn over the running of the concession stand to an outside group, it's really not worth having the Fly-In. The Eagles have the lowest dues in the area. If we stop having the Fly-In, there will have to be a substantial increase in dues to support the field. As has been said many times, if every member put in one hour, then the fly-in would be covered and no-one would be overworked. If you can't make it to work at the Fly-In, don't come to fly!

*Kraig*

### Club Officers

President: Ron Shonk  
Vice Pres. Art Janson  
Secretary: Henry Fannin  
Treasurer: Don Swensgard

### Committee Heads

Contest: Gary Villard  
Field: Jim McCoy  
Safety: Gary Villard
