## From The President

**Hello Everyone,**

Our next meeting will be held at Lakeside Center.

Wow, it doesn't look like it will ever quit snowing, oh \$#@\* that was last month.. Its 50 + degrees as I write this... oh yea this is Ohio, wait, it will change.

But hey look at it this way, the Toledo Expo is fast approaching. Just think of all the stuff we can drool over.

I would like to thank Jim McCoy for heading up the Mall show in New Philly. He and all the guys (and ladies) that brought their planes helped us put on a great show. I saw a couple there that were REALLY nice!

Our annual Fly in is a go, come to the meeting and volunteer to help and bring some thoughts as to what we can do to make this the best one yet, and yes we are going to need HELP.

Don't forget that our membership dues should be paid, as we voted to pay all club dues by the end of December, or have to pay a \$5.00 late fee. I have left this up to our treasurer to enforce.

See you at the meeting.

*Ron*

## Read This!!

I have heard, through the grapevine, that our club was:

1. Loosing it's field.
2. Unable to fly because of the over-flight restrictions.
3. Breaking up because of internal animosity.

As with most rumors, all of these are false. And as Eagles club members it's our duty to set the record straight when we hear someone spouting off about the club.

It's also our duty to fly and enjoy this hobby and to help other do the same.

If you don't have something good or helpful to say, then don't say it! Nuff said!

## From Your Editor

**Hi Fellow Eagles,**

Well March came in like a lamb so we can expect it to go out.. However the heck it wants. Almost all of the snow has melted so maybe we can look forward to the arrival of spring around the 22nd. I always said I wouldn't mind Ohio winters if they weren't 9 months long.

The mall show at New Towne Mall was a success, and Jim and the guys who took planes down and helped man the booth are to be commended for another job well done! If every member would have spent just one hour down there, no one would have had to work more than a couple of hours.

The Fly-in will be held in July just like always and we will be looking for help, just like always. If you haven't helped with the fly-in in years past, give it a try this year. We will need help with parking, registration, impound, and maybe cooking. I think we should handle our own cooking this year to prevent what happened last year from ever happening again. But, come to the meeting and express your views.

The AMA is busily engaged in working with the FAA to prevent Unmanned Aerial Vehicles (UAV's) and RC models from being lumped together and placed under heavy restrictions. Guys, if you think your AMA dues money is a waste, you should read about what the Executive counsel is doing in this regard. It is very important for our hobby right now, that we don't do anything to shine a bad light on our operations. Think SAFE!!

If you have not paid your dues by the end of the March meeting, or actually, before the next newsletter is mailed, you will be officially off the mailing list and I will send a form to the AMA removing you from the online roster. Several current members have not paid their AMA dues yet, as club Secretary, it's my job to keep us up to date with AMA paperwork, so get your AMA dues paid as soon as possible.

*Kraig*

## Club Officers

*President: Ron Shonk  
Vice Pres. Richard Ross  
Secretary: Kraig Krumm  
Treasurer: Rodney Ross*

## Committee Heads

*Contest: Gary Villard  
Field: Jim McCoy  
Safety: Gary Villard  
Newsletter Editor  
Kraig Krumm  
Webmaster  
Kraig Krumm*

## Club Meeting

March 17th  
Lakeside Center  
6:30 PM

## Stuff for Sale

Pioneer Biplane seaplane  
built by Don Hickman
