President's Report

Hello Everyone,

Halloween, Thanksgiving, CHRISTMAS!!!! Wow, the time has flown by. Flying season... over! (for most) Building season... almost here. I would like to thank everyone, for all that was done at the field, and for all the help at the events we had this year. I think we had a great year!!!

Everyone should have received a mailing about the club Christmas party by now. It is again at La Pizzeria, on Friday Dec. 8th., and everyone who was there last year knows we had a great time. So don't forget to get your reservations and payment back to Keith by Dec. 1st (we can not take res. or payment after the 1st.) so the restaurant has a complete count.

Our last meeting for 2006 is at Lakeside Center, Nov. 15th. We have nominations for officers, and also voting. Nominations so far are: Ron Shonk (Pres) Art Janson (VP) Henry Fannin (Sec) Don Swensgard (Treas). If you would like to nominate someone for the above positions, please do so at the meeting. It's your last chance.

As the club voted earlier this year, you now have to have your 2007 dues paid by Dec. 31st. Please send your payment to Don Swensgard to avoid a late fee after January 1st.

The Halloween party was again a great time, and everyone (I hope) got their fill of BBQ chicken, and ribs. Marshall Green even got to try a chicken wing in chocolate. Not bad right Marshall? To bad not more club members could have attended.

Keep warm!

Ron

Editor's Notes

Hi All,

Just returned from the JR Indoor festival in Columbus and I can tell you that this is one of the best indoor events in the country. Every participant goes home with at least the amount of the landing fee in door prizes. This year I won an E-Flight Yak and a Cox micro war-bird with radio. Gary Villard and I were entered in the Cox sponsored war bird races and in the noon combat flying. I had a great run going in the first round of the race, but on the last lap I cut the pylon to close and snagged it with a wing. Gary went on to fly in the final where he was third to a couple of faster planes. Next year we will do better now that we know what to expect. Gary brought home two Cox micro war-birds, an E-flight mini big stick and a box full of servos etc.

The November election of Officers will take place this month so be sure and show up to vote.

We have a great club and the special events that we have every year make it extra special. One of those events is coming up, the annual Christmas party. The Christmas party is a time for us to get together and share the spirit of the holidays. I hope every club member makes it to the party.

This will be the last newsletter of 2006 as we take a break in December for the holidays. I guess I have been sentenced to do the newsletter for a while longer so I'll get the January issue out in time for our January meeting.

This was the first year in a long time that I wasn't looking forward to a break from flying. Things were beginning to come together with my Carden Extra and I wish I could fly all winter like the guys down south. Oh Well! There's always next year!! Have a great Holiday Season, a Merry Christmas, and a Happy New Year!!!!
