## From The President

### Greetings fellow Eagles,

The County Wide Landfill is having an open house on Thursday October 6th. from Noon to five P.M. Tim Vandersall has asked if we could have some fliers at the field during that time (weather permitting) to demonstrate our hobby. If you can be there, it would be great, The landfill does not ask much from us, perhaps we could oblige.

The Steak and fly was held under sunny skies and we had 14 people attend. I think everyone had a good time and there was actually good bit of flying accomplished. I am hopeful to have this again next year, with a little more participation.

Our meeting next Wednesday will be the last at the field for 2011. I think all in all we had a pretty successful season. The field condition was outstanding the entire time. The weather was interesting to say the least. we gained a few new members, I would like to have more.

Please plan on attending our last outside meeting of the year for our delicious cook out, and I look forward to seeing each and every one at the field.

Sincerely,

*Scott*

P.S. Don't forget to vote for AMA positions that are coming open.

## From Your Editor

### Hi Fellow Eagles,

This month started out with the annual Cleveland National Airshow and other than oppressive heat on Saturday and a brief sprinkle on Sunday, things went well.

As we meander into fall don't forget to perform regular maintenance on your plane. I had to address issues with my Extra that I thought I had fixed in the Spring. Just like people, the older they get, the more care they require.

I have been having a ball flying E-flight's new bind and fly Beast biplane. It handles a lot like a full sized gas model and is very aerobatic. I have about 15 flights on mine so far and it is the best \$99 I ever spent.

Next month we will be taking nominations for club officers and once again I invite anyone interested in taking over the newsletter to let me know. I've been doing it for a lot of years and I could use a break.

The steak fly went well and a lot of great steaks were cooked and consumed along with a lot of fun flying. If you missed it, you really did!

Keep em Flying!!

*Kraig*
